

YEE VALUES

- YEE respects nature, strives to protect the environment and supports sustainable development.
- YEE seeks to empower young people.
- YEE believes in equality, freedom of speech, mutual respect, tolerance and democratic decision making processes.
- YEE enhances networking as a way to build connections and friendships.
- YEE wants to open opportunities for all young people to participate, learn and gain experience.
- YEE welcomes new ideas and methods.
- YEE wants to create learning opportunities and deals with mistakes in a constructive way.
- YEE believes in the potential of youth to bring positive environmental change.
- YEE believes that even small actions can have great effects.
- YEE is convinced that international and multicultural cooperation can have a wider impact than individual actions.
