

CHANGE

CLIMATE CHANGE

We would like to invite all interested organisations, groups and individuals to join the campaign “*Change Climate Change*” by organising local actions in their communities.

Why this campaign?

Climate change is one of the topics linked with environmental, health and economic aspects most discussed lately. In 2015 and 2016 crucial events have engaged citizens around the world and have pushed for better decision making to slow down climate change. We can highlight COP21, where 195 countries adopted the first-ever universal, legally binding global climate deal.

We want to contribute to this development through our activities and encourage other organisations and individuals to join us and help us raise awareness about the need to reduce the greenhouse gases and other negative impact on the environment.

How can you get involved?

- Organise one or several activities or actions connected with the topic of climate change in your community, city, school, university, etc.
- Before: Inform us in advance about your planned action. It will be added to the calendar of upcoming events and we will help you to promote it.
- After: Write a short article about your action including:
 - Who organised it
 - Where and when it took place
 - Number and type of participants or attendees (children, students, general public, volunteers...)
 - Description of the action and results
 - A sentence from a participant with his/her opinion about the event
 - 3 pictures of the action

Articles will be published in the “[Change Climate Change](#)” section of YEE website.

When?

Actions can be organised between 1 October 2016 and 28 February 2017.

What kind of actions can you organise?

You are free to plan the activities connected with climate change based on your aims, interests, capacities and resources.

You can find some ideas and inspiration in the following links:

- [Climate Campaign Workshop Guidelines](#)
- [Actions organised in 2015 for YEE Climate Campaign](#)

Contact

- Send your action in advance for the calendar (at least 2 weeks in advance)
- Send the short article about your action (latest 2 weeks after)

to Gosia at: gosia@yeenet.eu
