

How to make a...

...Right-to-be(e)-
„flag“:

1. Print this page.

2. Cut out the big
box (with the
TWO logos) and

3. glue both logos
together, using a
tooth pick in the
middle as a
“flagpole” ;)

Put it next to
your plant to
spread the news
and make the
flashmob even
more effective!

We are looking
forward to your
creative photos of
the planting
action!
