Personal annual report of MO Officer Non-EU countries of YEE 2010-2011
Gayane Muradova

Dear YEE friends,

During my work in YEE as MO officer for non-EU countries I was engaged with next activities:

- searched for new member organizations (I contacted organizations at the youth activities I was attending and also by internet - I sent e-mails to the potential MO's from Russia, Ukraine and Armenia; unfortunately none of them wished to join YEE)
- contacted old member organizations
- tried to contact "sleeping organizations" ("Little Earth" from Tajikistan)
- made presentation of YEE at different youth meetings and activities (e.g. TC in Akhaltsikihe, Georgia, November 2010; Youth Exchange in Gonio, Georgia, January 2011; TC in Tsakhkadzor, Armenia, April 2011; Seminar in Tbilisi, Georgia, June 2011)
- helped the Armenian organization "Khazer" with preparing documents and YEE membership application
- helped the Armenian organization "YCIDDP" with preparing documents and YEE membership application (this organization was not accepted as they didn't have enough ecological background)
- toghether with Adriana prepared reports of appliing organizations and presented them to the board.

Unfortunately, from April 2011 I couldn't take active part in YEE life due to my new job, so I couldn't participate in most virtual Board Meetings. I circulated a letter with explanation and apologies whithin the Board and Secretariat, and I would like to thank all the members for understanding.

I also want to give my special thank to Nazineh, Adriana and Gosia for their help and support during whole the year and especially last few months.
