

## REPORT – REVIEW OF MEMBERSHIP 2018

Dear YEE Member Organisations,

YEE aims to be a network made up of active and cooperative youth environmental organisations to provide a platform where these organisations can work together. Therefore, we need to consider which **YEE Member Organisations might have to be reviewed at YEE Annual Meeting 2018** (15-17 of July in Sluňákov - Center for Ecological Activities of Olomouc) in Czech Republic.

According to the Statutes<sup>1</sup> and Rules of Procedure<sup>2</sup> the termination of its membership or the review of its **membership status will be decided by the General Assembly** and the demand for dismissal or review of membership **must be introduced to the Annual Meeting by the Member Organisation Officer**. The demand shall be circulated to the concerned organisation and all other member organisations **at least 45 days prior to the Annual Meeting**.

According to YEE Rules of Procedure those Member Organisations that cannot be represented at the Annual Meeting can make objections to any demand for dismissal or review of membership in writing to the Member Organisations Officer to [memberorganisations@yeenet.eu](mailto:memberorganisations@yeenet.eu). The Member Organisations Officer shall communicate any such objection at the Annual Meeting before the voting on dismissal or review of membership takes place.

In this report we are providing you with a **list of YEE Member Organisations, whose membership rights should be reviewed in 2018**, together with a brief explanation of the situation.

An email asking for explanation of the inactivity of the reviewed organisation was sent. The result of the communication with this organisation can be found below.
