
CALL FOR YEE INTERNAL AUDITORS 2019-2020

Dear Friends,

Youth and Environment Europe (YEE), a platform of various European youth organisations with focus on nature, environmental protection and education, is pleased to announce that the call for nominations for Internal Auditor positions in YEE 2019-2020 is open.

The elections of the new Internal Auditors will take place during the Annual Meeting in Kapraluv Mlyn Centre in Ochoz u Brna in Czech Republic on 7-9th of July 2019.

The Internal Audit (IA) is a monitoring organ. The aims of the IA are to check if and how YEE worked on the projects that were planned for the year, if the Board and Secretariat implemented the set goals, what are their recommendations for the upcoming years, to report about it to the Member Organisations and to provide feedback and suggestions for improvement to the network. The IA is conducted once per year. The internal auditors are expected to be present and do the auditing in the office for 2 full days at least 60 days before the following AM.

Internal Auditors are entitled to receive 100% reimbursement of travel costs (as long as YEE Travel Policy is respected), accommodation and vegetarian food for the days when the IA is implemented.

The interested candidates are invited to send their CV and maximum 1 page of motivation letters by **7th of June 2019** to yeen@yeenet.eu

All the applications will be sent to the membership. This procedure will allow all the other delegates of YEE Annual Meeting to get acquainted with the candidates beforehand and get to know their motivation.

The candidates for IA are invited to come to the Annual Meeting 2019. Due to extremely limited financial resources YEE cannot fully reimburse travel, accommodation and food costs to candidates, the reimbursed amount will be communicated to the candidates after the registration for the AM finishes. All candidates that will not attend the AM will have chance to present themselves to the General Assembly and answer their questions through Skype.

Sincerely yours,
YEE Executive Board and Secretariat
