
CALL FOR YEE INTERNAL AUDITORS 2020-2021

Dear Friends,

Youth and Environment Europe (YEE) is pleased to announce that the call for nominations for Internal Auditor positions in YEE 2020-2021 is open.

The elections of the new Internal Auditors will take place during the Online Annual Meeting (AM), which will take place online on 29-30th of August 2020.

The Internal Audit (IA) is a monitoring organ. The aims of the IA are:

- to assess the quality of YEE project implementation;
- to evaluate the work of the Board and Secretariat;
- to report the above to the Member Organisations (MOs);
- to provide feedback and suggestions for improvement to the network.

The IA is conducted once per year. The internal auditors are expected to carry out the audit at the YEE office for 2 full days at least 60 days before the following AM.

Internal Auditors are entitled to receive 100% reimbursement of travel costs (as long as YEE Travel Policy is respected), accommodation and vegetarian food for the days when the IA is carried out.

Interested candidates are invited to send their CV and maximum one page of motivation letter by **20th of August 2020** to yee@yeenet.eu

All the applications will be sent to the MOs, so the delegates of the YEE AM will get acquainted with the candidates beforehand.

The candidates for IA are invited to participate in the AM 2020. All candidates who will attend the AM will have a chance to present themselves to the General Assembly.

Sincerely,
YEE Executive Board and Secretariat
