

Dear Member Organisations of YEE,

2020 started with the worldwide crisis of Covid-19, and it's been very difficult for all of us. As YEE we also did what we have to, to adapt to this crisis and never slowed down our pace, instead carried our work to online spaces. We've already completed a full-week long training Course and a series of webinars along with many other activities. We plan to implement more activities in online space and offline activities as long as the conditions of the pandemia allow us. Among our plans in 2020, there are still initiatives like training courses, partnerships in European level campaigns and projects, more advocacy work, more local actions and of course the Annual Meeting 2020. Eventually we have decided to organise our Annual Meeting in online space as well.

Please keep in mind that all our past and future activities are organised for our member organisations and are possible with your support. This is why we would again like to emphasize that your financial contributions are very important to us.

With this letter, we would like to remind you, that every year our member organisations should pay the annual membership fee to YEE.
