

## YEE VALUES

YEE respects nature, strives to protect the environment and supports sustainable development.

YEE promotes the preservation of nature and biodiversity, mobilises young people to fight against the climate crisis and supports sustainable approaches to development.

YEE empowers young people, supporting them to become change-makers.

YEE believes in inclusivity, equality, freedom of speech, mutual respect, tolerance, intersectional approaches and democratic decision-making processes.

YEE enhances networking as a way to build connections and friendships.

YEE wants to provide opportunities for all young people to participate, learn and gain experience.

YEE develops and promotes innovative ideas and tools

YEE believes in the essential role of young people in solving the climate crisis and achieving a socially fair transition leaving no one behind.

YEE is convinced that international and multicultural cooperation can have a wider impact than individual actions.
